

Financial Aid Request

For many of our student trips, Logan Tours will donate a portion of sales as scholarships for students who require financial assistance in order to attend. Students must meet the qualifications and complete the application by the trip's sign up deadline. It includes an explanation of need, student essay, and teacher recommendations.

Qualifications

In order for a student to qualify for financial aid, the following criteria must be met:

1. The student has minimal disciplinary record and acceptable grades.
2. The student must participate in the fundraiser. The scholarship amount awarded will match the profit from the sale. (E.g., if you sell 50 hoagies, yielding a profit of \$125, you will receive a scholarship award up to \$125 maximum.)
3. The family can demonstrate financial need.
