Discipline Policy and Illness on trip pick up agreement

As a parent, we know you want to be sure all the students have a fun, safe and educational time. In order for that to take place, the students must be respectful of themselves and of others at all times. One student cannot be allowed to ruin the experience for the remainder of the group. Butler Area School District students have represented themselves very well in the past. They are praised for their behavior time after time by personnel working at the different tour stops who deal with student groups on a daily basis. This is a compliment to the parents, chaperones and students involved. If behavior is an issue with any student, the chaperones will employ the following procedure:

1. Verbal warning
2. Assigned seat
3. Deny permission to remain with group at itinerary stops (will remain on bus with a chaperone)
4. Phone call to parent
5. Request to pick up child and remove from trip

“I understand the above discipline policy and agree to follow it. If my child’s behavior is disruptive and the first four steps do not resolve the issue, I will make arrangements to pick them up wherever the group may be at that time.”

Please sign the statement below regarding the discipline policy. If you are not comfortable with the policy or cannot make arrangements to pick up your child in the event he/she is disruptive, then you should not send them on this field trip. If any of the above listed actions are needed, absolutely no refund will be granted.

Because of the extenuating circumstances due to COVID 19, if my child shows signs of illness on the trip I agree to come get him/her wherever they may be in the itinerary.

BY SIGNING BELOW, I HAVE READ AND AGREE TO ALL POLICIES ON THIS PAGE including the MEDICAL WAIVER, DISCIPLINE POLICY, AND EMERGENCY PICK UP AGREEMENT.
